Line-ups for Candidates Totter as Rules Collapse.

General Situation.
SENATOR KERN
AS DARK HORSE.Nominations Are Due to Be
Made in Baltimore Today.Friends of Bryan Practically
Cease Booming Him.But They Think He Is Still
the Absolute Dictator.

[BY A. P. NIGHT WIRE TO THE TIMES.]

BALTIMORE (Md.) June 26.—
With nominations due to be made to-
morrow, the situation in the Demo-
cratic National Convention with re-
spect to a Presidential candidate was
as complex and uncertain tonight as
at any time since the delegates began
to pour into Baltimore.There was much talk of a subsidence
of the Champ Clark wave which
reached its crest last night, but the
Speaker's campaign managers were
not willing to admit there had been
any wavering in their forces.The adherents of Woodrow Wilson
claimed tonight that their candidate
had made distinct gains during the
day and that some of the Clark sen-
timents were turning toward the New
Jersey Governor.DARK HORSE.
Senator John W. Kern of Indiana,
Mr. Bryan's choice for chairman of
the convention and chairman of the
committee drawing the party platform,
still appeared to hold the lead among
the "dark horses." The coalition of
Bryan and Wilson forces in the first
night of the convention, however, led
to talk of the Bryan strength ultimate-
ly going to Wilson.The one outstanding fact in the sit-
uation seemed to be the absolute im-
possibility of any candidate having a
sufficient number of votes in the first
round to nominate under the two-
thirds rule.Friends of Mr. Bryan practically
ceased to boom him as a Presidential
candidate today, though they were re-
portedly alert to take advantage of any
psychological moment that might
happen. It was reported that many
Bryan buttons and banners had ar-
rived in town, but that the Bryan fol-
lowers had still in a position to dic-
tate the nominee.BRYAN DECLINES.
Mr. Bryan declined tonight to accept
the chairmanship of the Platform
Committee, but his close friend, Sen-
ator Kern, was chosen in his place.Tonight Mr. Bryan reported the plat-
form as "coming home" on account of
it was said the platform would be
ready for the convention by the time
the nomination for President had been
made.At Mr. Bryan's suggestion it had
been determined not to present a plat-
form until after the candidate had
been named.In Mr. Bryan's behalf it was said
tonight that his fight on Judge Parker
for the temporary chairmanship was
influenced largely by a desire to get
a line on the different delegates to
the convention, and to take an opportu-
nity to make a poll and it was said the
chairmanship fight was but only a
means of learning at the outset just
what was to be met and dealt with.It was generally reported about the
convention hall tonight that a sum-
mer of the western Clark delegates
who cast their votes for Judge Parker
for temporary chairman were un-
satisfied with the result, and that
they were planning to desert to the
progressive cause. It also was common
gossip that there were some
feudalities between the Bryan and Clark
forces.CLARK CONTROL.
In the Committee on Credentials to-
day the Clark forces clearly controlled.
The sitting delegates from South Da-
kota, pledged to Wilson, were un-
seated in favor of the Clark con-
stituents, while six delegates from
the District of Columbia were
unseated in favor of six instructed for
Clark.There were two sessions of the con-
vention today. The one beginning at
noon was devoted almost entirely to
oratory. All the speakers predicted
success for the party in the November
elections.Tonight the convention began con-
sideration of committee and the
work of completing permanent or-
ganization.HARMONY URGED.
In all the party councils today har-
mony was urged upon the various fac-
tions.In a further effort to placate the
Bryan extremists there was practically
a unanimous decision to make Sen-
ator-elect Ollie M. James of Kentucky
permanent chairman. Mr. James is
known as one of the closest friends
of the Nebraska.Some of Gov. Wilson's supporters
were claiming tonight that sentiment
from the big New York delegation was
turning toward their candidate.It was everywhere agreed that the
nominee should be any out and out
progressive, as the party leaders be-
lieve that only in this way can they
hope for success.The growth of Wilson sentiment
found expression in the convention
tonight in a prolonged demonstration
when his name was mentioned.GENERAL SECRETARY NOW.
Director of Social Work in Los An-
geles, Y.M.C.A., Called to Important
Post in Phoenix.J. Landrum Graham, for several
years director of the social work in
the Young Men's Christian Association,
has been called to and is going to
Phoenix to be general secretary of
the association there.Secretary Graham has just re-
turned from Arizona, where he in-
spected the field and pronounced it
good. Phoenix has a new \$200,000
building, and he can see great pos-
sibilities to build up a strong work
in a growing community. His work in
Los Angeles, where he has lived ten
years, half of which he practiced law,
has been of the highest order, and he
is well fitted for the duties of his new
and important place.The secretary will go to Lake Ta-
hoe on the Y.M.C.A. excursion, July 8,
after which he proposes spending a
few weeks visiting relatives in Mis-
souri and Kentucky before taking up
his duties in Arizona. His successor
in the local association has not yet
been named.J. W. Davis, the retiring Phoenix
secretary, is passing a few weeks at

peace in our social, civic and econom-
ic relationship and speeches."And will you grant that upon
whomsoever the Presidential and the
Vice-Presidential nomination—man-
ifests of this convention—shall fall, may
they be patriotic, God-fearing and
God-serving men of personal purity
and public virtue; so that by our final
action we shall not only serve our
party but also honor country and su-
premacies glory Thee, our Governor
and our God."Jesus Christ, our Lord, who hast
taught us when we pray to say "our
Father." Amen!"CREDENTIALS.
When the prayer was concluded
Gov. Blanchard of Louisiana reported
that the Credentials Committee would
not be ready to report until 8 p.m.He said he would not make a motion
to adjourn until that time, however,
as he was sure the delegates would
like a "little oratory."FOLK TALK.
Former Gov. Joseph W. Folk of
Missouri was the first speaker. "The
nominee of this convention will be the
next President of the United States,"
he said. He eulogized Bryan and
at length, but the delegates grew rest-
less and Chairman Parker admon-
ished them to be quiet. Folk's speech
was very brief and to the point. He
of Maryland next was called on.He also predicted success for the
Democratic nominee and disapproved
the division in the Republican party
and declared that the motto of the Taft
faction would be: "We will react and
retrograde.""Our motto in this campaign will
be: 'We shall progress,'" shouted
Senator Rayner and the crowd
cheered.PROSPECTS.
After he had spoken for several
minutes in denunciation of Republi-
can principles and predatory wealth,
Congressman Henry D. Clayton of
Alabama, the next speaker, turned to
Democratic prospects."I do not know upon whom the
nomination of this convention," he
began."Underwood," shouted an Alabama
delegate."Wilson," shouted a man from Mis-
souri."Wilson," came in answering chorus
from New Jersey."Harmen," came the Ohio answer.

NEW YORK WOULD MAKE
AN ISSUE OF THE TARIFF.

[BY A. P. NIGHT WIRE TO THE TIMES.]

BALTIMORE, June 26.—Sitting in
a commodious room in the
Armory in which the Democratic
convention is holding its meetings,
large part of which was occupied by
stacks of rifles with glistening bayonets
attached, the Committee on Resolu-
tions today began a work of pre-
paring a platform for the conven-
tion of the convention. The commit-
tee sat during a large part of the
day, and with the approach of night
turned to the consideration of the
eleven detailed work of preparing
the document for the consideration of
the full body.PLEAS PRESENTED.
In addition to voting to recommend
that the platform should not be pre-
sented to the committee, another by
the nomination of a Presidential can-
didate, the committee began a series
of hearings devoted to the presenta-
tion of resolutions and suggestions.
In addition to verbal suggestions, other
platforms were sent in and in some in-
stances entire platforms were pre-
sented. Among the latter was a com-
plete platform draft coming from the
New York delegation, and another by
Senator Newlands of Nevada.Other features of the hearings in-
cluded a lively tilt between Senator
Culberson and Congressman W. G.
Brantley of Georgia, who is a mem-
ber of the National Employers'
Liability Commission, and he took
sharp issue with some of the Texas
reference to workmen's compensation
bills proposed by that commission.NEW YORK PLATFORM.
The New York platform received
very careful consideration. It gives
first place to the tariff, declaring
that to be a fundamental principle of
the Democratic party that the Federal
government has no right or power to
collect tariff duties except for the
purposes of revenue, and that there is
a demand that the collection of tariff
taxes shall be limited to the necessities
of government when honestly and
economically administered.There is a declaration for im-
mediate revision, especially as to the
necessities of life. President Taft's
course in vetting the woolen, cot-
ton, chemical and free trade bills of
the last session of Congress is
roundly denounced. Rigid enforce-
ment of the anti-trust laws is prom-
ised, and such additions as may be
necessary to make the law effective are
promised.BANKING LAWS.
While opposing the establishment
of a central bank, the opinion is ex-
pressed that there should be legisla-
tion under Democratic auspices look-
ing to the creation of a flexible bank-
ing law which would prevent any small
group of financiers or politicians from
controlling the banks of the country.Declaration made for an income
tax through constitutional amend-
ment, and also for the election of Sen-
ators by direct vote of the people, and
for single six-year term for Presi-
dent.The work of the present Democratic
House of Representatives is highly
commended.MONROE DOCTRINE.
Promise is made to maintain the
Monroe doctrine and to protect Ameri-
can citizens and property in the West
Indies and Central America.With evident reference to the treat-
ment of American Jews in Russia,
promise is made to exercise every ef-
fort to secure their rights and immu-
nities on account of race or creed.OTHER RECOMMENDATIONS.
Other recommendations favor:
Extension of the parcels post.
Encouragement of the merchant
marine, but without subsidy.
Federal aid in the maintenance of
good roads.Improvement of the inland water-
ways.

made little effort to quiet the en-
thusiasm. Some of the delegates at-
tempted to present the speaker, Rose
Covington of Maryland, chairman of
the Committee on Rules, was recog-
nized to present the committee's re-
port. The report would place the
nomination for President and Vice-
President on the program immediately
after the report of the Committee on
Credentials and before the adoption
of the platform.This was contrary to the usual cus-
tom, said Mr. Covington, but the Res-
olutions Committee by a vote of for-
ty-one to eleven had determined that
the exigencies of the present Demo-
cratic situation made it wise to have
the convention proceed to the discus-
sion of the platform before the adop-
tion of the platform.The report, much to the surprise of
the convention, generally, was adopt-
ed by a viva voce vote, without oppo-
sition.RULES.

HARRY K. THAW STINGS JEROME.
Hurls Caustic Replies to Questions of Lawyer.
Puts Former Prosecutor in Class With Abe Hummel.
Evelyn Nesbit Thaw Listens to Husband's Testimony.

[BY A. P. NIGHT WIRE TO THE TIMES.]
WHITE PLAINS (N. Y.) June 26.—Harry K. Thaw and William Travers Jerome had an all-day debate at today's hearing on Thaw's application for release from the Matteawan Insane Asylum.

Thaw, while not losing his temper, flung back some caustic replies to the attorney who was putting Stanford White's lawyer through what was termed a "mental examination."

The witness repeatedly questioned Jerome's motives in appearing as the leading instructor in opposition to Thaw's release and at one point, when he was asked for whom he thought the attorney was acting, he cried:

"Mr. Jerome, I have been told that when you sent Abe Hummel up the river—and you didn't send him up the river; only to the workhouse—that the mantle of Abe Hummel fell on the shoulders of William Travers Jerome."

Mrs. Evelyn Thaw sat in the courtroom all day listening to her husband's testimony, her gaze riveted on his face.

Thaw took the stand again today in his efforts to prove his sanity and obtain his release from Matteawan. He was questioned at length by Jerome.

The codicil in Thaw's will was read, in which provision was made that damages should be given to certain young women on whom indignities had been committed. Thaw said the codicil had as its purpose to obtain damages from Stanford White.

"For whom were the damages intended?"

"If you want to make yourself contemptible, I'll not assist you," said Thaw with heat. He added that he would not participate "in degrading and blackening the character of a dead man." (Referring to Stanford White.)

The witness repeated the imputation made by his lawyer several times during the trial, that Jerome is serving private interests.

CALIFORNIANS SPLIT.
But the Golden State Democrats Are Trying to Make Light of Their Differences in Baltimore.

[By Federal (Wireless) Line to The Times.]
BALTIMORE BUREAU OF THE TIMES, June 26.—(Special Dispatch.) They'll tell you the California headquarters here that California is solid for Clark, not only because they are instructed for him, but because they are for him personally. But the vote on the temporary chairmanship was an accident. Investigation today indicates very strongly that the reaction clearly where the personal preferences of the delegates lie. Perhaps if they followed their own inclinations the split would be even more marked.

LANE ON OAKLAND.
Delegate Lane of Oakland made this apparent today, when he told The Times correspondent that he considered Bryan a stronger candidate today than he had ever been during the sixteen years he has been leading the party in the wilderness. Lane thought the Democratic party owes Bryan a great tribute that a renomination would be but a paucity acknowledgment. Still, he said, he was going to vote as the delegation had instructed him, with the mingling that the country will interpret the vote on the chairmanship as a protest against the party's reactionaries—a word which can be used in a manner to make one think it implies all the wickedness wrapped up in the person of the Prince of Darkness.

Eighteen for Parker, seven for Bryan and one for Kern; that is the way the California delegation voted on the temporary chairmanship and it goes to show that the delegation is likely to split very badly if the ballots go farther than one or two.

YOUNG'S VIEW.
Milton K. Young of Los Angeles, who is acting as national committee-man in place of Nathan Cole, Jr., says: "The delegation is united and harmonious. We are all Clark men. It is the opinion of the delegates that Clark will be nominated and we naturally think a nomination this year is equivalent to an election. The vote on the temporary chairmanship had no special significance, except that the delegates did not wish to take any chances on the reactionary proposition. The split, if you could call it that, has left no feeling whatever."

The ladies of the delegation, under the direction of Mrs. Loy of Los Angeles, are preparing to give a reception, but they have not announced the evening. Mrs. Loy took part in the "Wilson din" today, waving a Clark pennant and many Clark Underwood and other shouters tried to take possession of the demonstration, which, however persistent, merely was a disorder and the name of Bryan as much in evidence as that of Wilson. It was largely a contest of lunge power between rival factions and helped the crowd to amuse itself on a dull afternoon, when the dull Congressmen was making a dull speech.

GLOOM AT MARE ISLAND.
WASHINGTON BUREAU OF THE TIMES, June 26.—(Special Dispatch.) Acting Secretary of the Navy Winthrop today told Representative Kahn that it would be absolutely necessary to lay off the entire force at Mare Island on July 1, unless Congress made appropriations. Four thousand men are affected. Representative Kahn saw the Democratic leaders at once and an effort will be made tomorrow to rush through a resolution containing the present year's appropriations. This would avoid the discharge of the Mare Island force. The Senate has yet to act on the resolutions.

Doctor's Boyish Face
Reveals Skin Renewer
I heard the other day the story of the physician with so admirable a skin that all his women patients asked the secret. He told one, who generously told others, that, knowing the remarkable absorbent property of ordinary mercuric iodine, he concluded this substance would make an excellent complexion renewer and preserver. Knowing the wax could not harm the skin, he began using it after shaving. He soon observed that the old, withered, colorless cuticle was being gradually absorbed and replaced by younger, healthier skin. This was the simple secret of the silver-haired doctor with the boyish face.

The secret became public property. Now women everywhere use mercuric iodine, applying it nightly like cold cream, washing it off mornings—continuing until the complexion is entirely renewed. An ounce of this, procurable at any drugist's, will banish the worst complexion.

Another valuable rejuvenator used by this doctor was a wrinkle-remover, preventing in the form of a face bath, made by dissolving an ounce of salicylic acid in a half-pint of witch hazel. This also has become famous—Anrolla in Fashion Review.

WILSON LOSES TEN.
(Continued from Second Page.)

Hearst-Harrison delegations were presented to the Credentials Committee of the Peoria convention the Sullivan action was expected to be a face them seats and the contesting forces found it useless to go into the convention next day and answer their fight. Motion to seat the Sullivan men in the Seventeenth and Twentieth Illinois districts carried, thirty-eight to thirteen.

Those who voted against the Sullivan faction were: California; Miller, Nebraska; Carney, Nevada; Kelly, North Dakota; Moore, Oregon; Young, Kentucky; McCormick, Pennsylvania; Whitmore, Utah; Molina, Porto Rico. The sixteen Sullivan delegates, who came from Illinois, having eight votes in the convention, were seated by a vote of 43 to 9.

MAYOR'S STATEMENT.
"There had been daily stories in the papers," said Mayor Harrison, "that there was to be riot and bloodshed; and as Mayor, I was appealed to for police to keep order. At the recent Republican National Convention, I was appealed to by Mr. Revell, Senator Crane, Senator Penrose, Mr. Hillis and Mr. Upman for the same purpose. I was not prepared to assign police to keep order at the gathering."

Roger Sullivan insisted on answering Mayor Harrison, although members of the committee were anxious to stop the Illinois argument.

"That is a pretty story," he said. "I want to tell this committee that Mayor Harrison's statement is incorrect. Over six weeks before the committee met, they planned to carry it through with the aid of John A. Owen, county judge."

Mr. Sullivan declared election boards controlled by the Harrison faction had dominated many precincts. Notwithstanding their control there, he said, the Sullivan delegates had a majority in the State convention at Peoria.

The committee seated William H. Bryan as temporary chairman of the National Committee.

The N. Y. Pennsylvania contest was withdrawn.

Contesting delegations from Porto Rico agreed to a division, each taking three seats.

LA FOLLETTE ARRIVES.
Wisconsin Senator Calls on Bryan and Henry; Also Puts in His Appearance in Baltimore.

[BY A. P. NIGHT WIRE TO THE TIMES.]
BALTIMORE, June 26.—The Democratic convention took second place as a topic of conversation for a time today, when a report became persistent that Senator La Follette had held a long conference with William Jennings Bryan after the latter's reversal in the temporary chairmanship fight in the convention yesterday. It was said the Senator, who slipped into town from Washington without heralding his arrival, had invited Mr. Bryan to call in his fortunes with a new movement.

An air of mystery pervaded the Bryan and Nebraska headquarters today. It was neither denied nor affirmed that the conference had been held.

That La Follette was under the same spell with Mr. Bryan was acknowledged and it was declared he had expressed his intention of coming from Washington again.

At the same time, La Follette's headquarters it was acknowledged the Senator had been here and that he would return today.

As Mr. Bryan left his headquarters today Ellisha Garretson of Madison handed him what has been called the La Follette platform. Mr. Bryan stuffed the manuscript into his pocket and hurried away.

Both the anti-Bryan factions in the convention were interested today in "third-party" gossip. The advent of Francis J. Henry of California, who fought for Mr. Roosevelt in the Chicago convention, and Charles R. Crane of Chicago gave impetus to the situation.

SAYS REVOLT IS DYING.
Cuban Government Declares Intention to Withdraw Part of Troops Despite Disturbing Reports.

[BY CABLE AND A. P. TO THE TIMES.]
HAVANA, June 26.—The government expressed confidence today that the insurrection is fast approaching collapse and is now considering the question of withdrawing a portion of the regular troops, this in spite of the fact that Col. Piedra, who returned from Oriente yesterday, reported 2000 insurgents in arms. Other estimates place the rebel strength as high as 4000.

Gen. Montenegro advised the government tonight that his troops had an engagement with the rebel leaders, Estenoso and Ives, at the head of a hundred men near Calabazas, dispersing them and capturing Ives's horse. Gen. Montenegro advised that the troops are now actively pursuing the rebels.

JURY HOLDS PRICHARD FOR STOKES KILLING.

E. W. PRICHARD, promoter and head of the Great Western Amusement Company at Venice, was held responsible by a coroner's jury yesterday for the death early Sunday morning of Herbert D. Stokes, a Southern Pacific towerman, who was knocked down by Prichard's auto. The verdict reads:

Herbert D. Stokes came to his death through a rupture of the pericardium, with hemorrhage into the cavity, caused by being hit by an auto driven at a high rate of speed by the owner, Prichard, while in an intoxicated condition.

The accident occurred just outside the city limits on Santa Fe avenue near East Vernon avenue. Stokes was on his way home. In the machine with Prichard was a woman whose identity has not been established. A second offense the fine is from \$100 to \$500, with a jail sentence if the court sees fit. A third offense calls for a jail sentence if the speed is in excess of thirty miles an hour.

Public Service: City Hall, Courts.

SUMMARY OF THE DAY.

The Chief of Police presented his annual report yesterday, showing that the tremendous growth of the city has not brought with it any serious increase in crime.

The Police Commission yesterday passed on the Chief of Police the ordinance against hoodlums street speakers at Fifth and Crocker streets.

The City Prosecutor advocated before the Police Commission yesterday municipal control of pawnshops as the only method by which abuses can be abolished.

The Police Commission yesterday held up an application for a liquor permit in a district where there are six saloons within four blocks.

A forced trial, verdict by a jury of eight of \$150 damages when \$10.00 was asked, and delinquent arguments by opposing counsel were features in a suit tried in the Superior Court yesterday, brought by a man who had been bitten by a dog.

CITY OUTSTRIPS CRIME'S GROWTH.

POLICE REPORT SHOWS NO SERIOUS INCREASE.

Tremendous Progress of Los Angeles Has Not Brought Much More Crime or Violations of Ordinances, and General Conditions Are Excellent, Says the Chief.

"The amazing growth of Los Angeles has not been marked by a serious increase in crime and violations of the ordinances," says Chief of Police Sebastian in his annual report, presented to the Police Commission yesterday. "As a matter of fact," continues his report, "the police officials in this city were quite agreeably surprised last winter when they scrutinized the crime reports and ascertained that the percentage of highway robberies, store and house burglaries, and murders was less than that of the preceding winter. An effective detective bureau and a well-manned and excellently-trained organization of captains, lieutenants, sergeants and patrolmen made this possible."

The total number of arrests, convictions, cases dismissed or otherwise disposed of, was 24,461 and the amount of money received in fines and forfeitures of bail was \$140,000. Property stolen, but recovered and returned to its owners, is valued at \$115,742.11.

The total number of persons arrested on charges of intoxication, 14,517, and of this number, the "sunrise court" released 12,340. Nineteen cases of homicide were investigated and eleven persons charged with murder were held to trial and eight were released from custody, the homicide having been proven justifiable.

The report is a comprehensive one, covering all phases of the work of the police department, and that this has been eminently satisfactory and uniformly good.

The report urges the providing of at least one hundred more patrolmen and ten detectives, and the necessity of establishing a sub-station in the neighborhood of Central and Vermont avenues. He advised that a site for such a station be purchased without delay.

The going and flashlight systems are commended as having proved of much value. Establishment of sub-stations for motorcycle policemen is reported and the statement is made that provision has been made for additional sub-stations of this character in Garvanza, Boyle Heights, Hollywood and the Wilshire district after July 1. A mounted police system for the hill districts has been found useful.

The proposition to appoint 200 "citizen policemen" resulted in the volunteering of 300 citizens for this work and the Chief says that multipurpose and efficient men in professional and business lines have taken a lively interest in this proposed branch of service.

A national uniform automobile law is recommended and the Chief of Police proposes to present a paper urging this step at the convention of the International Association of Chiefs of Police to take place in July.

The work of the juvenile court is highly commended, the report declaring it to be one of the most important branches of the service. The work of the detective bureau is detailed with praise and Chief Sebastian says "Few cities in the world receive more efficient detective service." The installation of the "finger-print" system will greatly accelerate detective work, says the report.

The Chinatown squad has brought about an improvement of sanitary conditions, and the opium traffic has been almost eradicated. Gambling has been reduced and "slave" traffic has been almost eliminated.

"The practicality of employing women in police work has been demonstrated," says the report, "and Los Angeles police women have made good in every detail."

Commendation is given the religious work carried on by Protestants and Catholics, and the work of the "sunrise court" is given appreciative mention. Reforms in the method of handling prisoners, including the abolition of the chain-gang, are discussed. Announcement is made that the prisoners will be employed in building roads and trails in Griffith Park during the ensuing year. "The need of a municipal farm, a municipal lodging-house and municipal employment bureau is urged, and a further extension of the civil service provisions to all persons detailed for duty is recommended."

The need of an ordinance better regulating the sale of weapons that can be concealed about the person, especially revolvers, is urged, and it is suggested that would-be purchasers should be required to obtain a permit from the Police Commission or the Chief of Police.

Will Change Outfall. The Board of Public Works yesterday adopted the recommendations of the City Engineer in regard to changing the discharge of sewage at the foot of Fifth street in San Pedro and immediately alongside the public landing, to a location where it would be less offensive. This change proposes to divert the sewer at a point about seventy-seven feet east of the intersection of Fifth and Front streets, and thence under the line of the storm drain tunnel north of Sixth street, and thence easterly under the

bottom of this tunnel to the water front. The result will be to make the outfall discharge about 200 feet south of its present point of discharge. The cost is estimated at \$2500. The City Council will be asked to authorize the Board of Public Works to contract for this work, the cost to be met from the sewer bond fund of 1908.

Pipes Cause Halt.

Ten months ago the property owner of Alessandro street, from a point south of Evergreen avenue to a point north of Crystal street, petitioned for the improvement of this street. Today the street is in the hands of public works, or worse, than when this project was started. The street department has the blame on the water department. To secure a proper grade, the street it will be necessary to lower two important city water mains at Los Angeles and the water department declares this cannot be done without shutting off the water supply, which would be a great inconvenience during the summer months. The water department proposes that this could be done in winter, during a period of comparatively light consumption. If the property owners will meet the expense, which will be heavy.

To this the property owners object, because they donate the right of way and believe that is sufficient. A delegation was before the Board of Public Works, yesterday, stating that the street is now in such condition that merchants will not do good trade there, and they demanded immediate relief. The subject was referred to Deputy City Engineer Johnson, to work out with the property owners, plan whereby the street may be graded in two sections, on each side of the obstructing water mains. Meanwhile the City Attorney will be requested to give an opinion on the question as to whether the water department could hold up a street improvement by refusing to move its water mains unless the property owners pay the costs thereof.

whole-sale liquor permit at No. 318 East Fifth street, was postponed a week. Property owners on Fifth street, between Wall and San Pedro, have protested against the granting of any more liquor permits for that block. The statement was made at yesterday's meeting of the commission that within four blocks on this street there are six saloons and five saloons.

From Hod Carrier to Medium.

Miracles A. Smith, a negro of No. 1144 Newton street, who gives himself the name of "hard carrying" and "jobbing around," made application to the Police Commission yesterday for a permit to sell a medicine. He has \$30 posted with the city in connection with this application, and decided to let it stay there until the "hard-spoken" ordinance is submitted to the Council and the city's policy on this line is determined. Meanwhile he gets no permit, and will have to stick to his old-time jobbing around.

These Get Permits.

The Board of Public Works yesterday granted a retail liquor permit to E. Sharkey for No. 821 East Fifth street. He moves from No. 850 East Fifth street. Oscar H. Kleger, a grand a whole-sale liquor permit at No. 121 North Spring street, the establishment moving there from No. 223 South Main street. The commission granted a liquor permit to Alex. Labeta for No. 419 South Los Angeles street, and to Harry Stern for No. 1144 South Main street. The Chief of Police reporting that there are now twelve liquor establishments in this block on Main street. The restaurant liquor permit at No. 903 East First street was suspended for ten days. Panich was before the commission at its previous meeting on the charge of violating the liquor ordinance and allowing drunken Mexicans to remain in his place.

City Hall Briefs.

Property owners on Wilshire boulevard, between Normandie and Marlborough avenues, appealed to the Board of Public Works yesterday to have the lake of stagnant water on the south side of Wilshire boulevard disposed of, or to place 100 barrels of crude oil in it so that it will not breed mosquitoes. The request contains three pages of signatures.

The Mt. Washington Improvement Association yesterday filed a petition to the City Council for street lighting in that district, as it is now without lights except those furnished by the incline railroad.

The Albee Arts Center Committee yesterday sent to the City Clerk for presentation to the City Council a copy of its resolution pledging the members of the committee to acquire the old State Normal School site for the city in the interests of all the people.

FLOOD DAMAGES. In order to get the lay of the ground in the suit of the Quanta Quanta Mining Company against the Salt Lake for \$700 damages caused by flooding its land on Humboldt street, Judge Wood and the attorneys visited the scene yesterday afternoon and resumed trial on his return.

The Quanta Quanta Mining Company alleged that the Salt Lake built a culvert under the water on the factory ground. The lawyers engaged in the suit are Wilder and Chapman for the plaintiffs and Peck and Palmer for the defendant company.

JONES'S SUSPICIONS. W. T. Jones, a real estate agent, testified he called on a dog of the large brindle variety was a habit of the dog to bite him. It was argued that as the dog was chained, he must have been kicked before he rushed at Strubb. The latter came back with the state that he had not seen the dog, and he dog further down the yard, which barked at him. He said he had been bitten by a dog and was afraid of hydrophobia.

Judge Hutton's rulings were prompt and decisive. When Tracy and Holly argued without addressing the court, Judge Hutton told them in a stern voice that they were derelict and accepted their apologies.

SHE BREAKS RECORD.

WEDDING FINERY FOR BRIDE.

A miracle, from a woman's point of view, was accomplished by Mrs. Harriet Shaw, probation officer, yesterday, when, limited to one hour's time, she bought a wedding dress for a 15-year-old Jepphine Ruth Tuso, supervised the dressing, and accompanied her to St. Peter's Church.

Jepphine had been married by Judge Wilbur in chambers on Tuesday. She stood up with her shaggy-headed young husband, Frank Zevas, with a great deal of red in her face. She did not look like a bride, but Frank didn't seem to care, for it is apparent that he is much in love.

When he saw Jepphine in her bridal finery of white tulle, embroidered with white satin slippers, and a great white satin ribbon was so great that he thought he was dreaming. Father Buccell performed the ceremony yesterday morning, right away Mr. and Mrs. Zevas went to the juvenile court to have the marriage dissolved. Frank of having eloped with Jepphine.

BLAMES SISTER-IN-LAW.

PRODUCE MAN SENT TO JAIL.

Lawrence Shorter, No. 2101 La Salle avenue, who began on a shoe-string purse and accumulated \$50,000 in the produce business, was committed to County Jail by Judge Wilbur yesterday in default of \$2000 bonds.

Shorter is charged with having contributed to the delinquency of his four minor children, the eldest of whom is 10 years. The complaint was sworn out by his sister-in-law, Helen Jaures, No. 1246 1/2 Palm street. She complains that he is habitually intoxicated.

Drinks Are Plentiful.

At the meeting of the Police Commission yesterday action on the application of Charles L. Kruger for a

ated in the presence of the children and beats his wife. Shorter will enter his plea tomorrow.

In the juvenile court yesterday, Shorter asserted he did not have enough money to employ a lawyer in his defense. He has been arrested and given his wife for the support of herself and children, \$100 in May and \$45 this month. He charges spite on the part of his sister-in-law.

GOES TO WHITTIER.

YOUTH MUST FINISH TERM. L. D. McCready, a son of a wealthy family of this city, has turbulent times before him. He faces several charges after his time in Whittier shall expire, July 8. His mother stands by him and is doing her utmost to get him out of jail. His father says he won't have anything to do with him.

McCready has been in the County Jail, expecting to be sent to Madison, S. D., to answer to a charge of having obtained money under false pretenses. Judge Willis returned him to Whittier yesterday to finish his term. It appears that McCready was in the institution and while at liberty, stole his mother's automobile, sold it and on the proceeds went to New York, stopping off at Madison, his old home, to raise more money on a bogus check.

In New York McCready became known as "The Kid" and was arrested. He will probably be prosecuted for the stealing of the auto, and if placed on probation, it is said a warrant will be served on him for the Madison offense.

SUES AUTO MAN.

SWITCHMAN ASKS DAMAGES.

Charles R. Clark, injured when an automobile driven by James McGee struck a switch engine at Ninth and Alameda streets about 3:30 o'clock last Thursday morning, filed suit yesterday for \$25,000 against Joseph Topitzky, from whose auto livery the machine was hired.

Clark is a switchman employed by the Southern Pacific and is at the Crocker Street Hospital with a broken left leg and a dislocation of the left knee. McGee, a chauffeur, is lying seriously injured at the Clara Barton Hospital.

The testimony will show, it is alleged, that the auto party was returning from the Vernon "Country Club" to the City Court house, where the machine at a rate of forty miles an hour when the collision occurred, resulting in the fatal injury of two persons and the serious injury of seven others.

CHICAGO MAN'S ESTATE.

COURT ORDERS DISTRIBUTION.

A distribution of \$246,462.47, the cash on hand in the estate of Alfred H. Sellers, a Chicago business man, who died May 20, 1911, was ordered by the court yesterday.

The will of the deceased, Alfred H. Sellers, of Orange Grove avenue, Pasadena, and the son, Frank H. Sellers of Saginaw, Mich., by Judge Rives yesterday. Mrs. Sellers will receive \$116,000 and her son \$110,000. The gross estate was named as \$248,000. Whether the estate was really as large as the homestead or they came out of the estate was submitted to the court.

HER WONDER GREW.

THEN SHE LEARNED WHY.

Mrs. Ella L. Albers, who knew that her husband's correspondence with reference to his chicken ranch and colts kennels was not extensive, wondered when he took Ella to the house, in Highland Park, built an office in the back yard and dictated letters to her.

Her wonder changed to anger when she learned, she alleged in her divorce complaint, that Ella is a "lady barber," posing as a stenographer. She told Judge Willis yesterday that George, her husband, let in love with the woman. On this and corroborative evidence the decree was granted.

Mrs. Bragg Is Real Strong

In a Personal Letter, She Tells How Woman May Increase Strength and Endurance.

Indianapolis, Ind.—"I feel so much better than I ever did in my life," writes Mrs. Charles Bragg, 1517 Cornell avenue. "I have been real strong since I began to use Cardui. Tongue cannot tell how much Cardui has done for me. I can do a full day's work now without getting tired and having to stop and lay down every few minutes. It seems to me that there is nothing to equal Cardui as a tonic and strengthening medicine."

Women who do hard work of any kind, whether in stores, factories, or at home, often lose strength and energy and soon feel and look prematurely old.

To keep young, when you begin to feel tired and unable to do your work, you should try a good strengthening tonic. You will find in Cardui a friend in need.

Fifty years of success, and thousands of letters like the above from Mrs. Bragg, surely prove that Cardui is the best medicine for women is Cardui, the woman's tonic.

All druggists sell and recommend Cardui. It will help you.

she would not stay, packed up and left. Judge Willis ascertained that Jones was a widower when he met the second Mrs. Jones and had a suspicion that she had been married before.

GETS BEST PRICE. Judge Rives was quick to take advantage of a peculiar situation at Redondo Beach yesterday morning, when he sold property owned by Caroline Petry, who has been declared incompetent. Attorney Weil, representing Mrs. Petry, offered \$11,000 for the property. The bid was raised by another party which the court accepted. The first bidder declared that he had no more money and go one better. He was granted time.

EVERY ESTATE. The appraisal on the estate of William H. Avery was filed by Frank H. Sproule, executor of the estate, and valued at \$489,114. The widow, Nellie T. Avery, receives as her interest in the estate, \$152,046; Russ Avery, \$12,000; Kessan Avery, \$11,000 and her son, Yerva Avery, a daughter, \$22,546 each; Yora Avery Tompkins, a daughter, \$77,516.

ESTATE IN TRUST. The will of Susan S. Tuttle, mother of Edward Tuttle, was filed yesterday. She leaves an estate valued at \$35,350 and provides for a five-year trust. After the residue of the estate is converted into money, she provides a one-tenth share to each of her children, Edward B. Tuttle, William A. Tuttle, and Roy Tuttle. Mrs. Maude Tuttle-Frick, Mrs. Eva Tuttle-Sanson and Mrs. Martin Tuttle-Cass, and an equal share among the grandchildren. The jewelry, piano, pictures and personal effects are bequeathed to the daughters.

TUTTLE CASE. The retrial of George Tuttle, Jr., on a charge of embezzlement set for Department Three this morning, will go over until Monday. The jury disagreed in the first trial.

SOCIETY

MR. AND MRS. J. A. PORTMANN of West Eighteenth street formally announce the betrothal of their daughter, Miss Nora, to Charles Meyer, a young civil engineer of this city.

This bit of news has been cleverly guarded by the young people, who have been devoted to one another for some time. No plans for the wedding have yet been made.

Meyer attended school in Boston and later studied in Berlin for three years; while the attractive bride-to-be was graduated from the Girls' Collegiate School and finished at Mt. Vernon Seminary, Washington.

Smith-Wyatt Wedding.
Pink and blue hydrangeas were used to decorate for the wedding of Miss Alice Irene Smith and Henry Wyatt, which was solemnized at 5 o'clock yesterday at Christ Episcopal Church, Rev. Baker P. Lee, rector of the church, officiating.

Miss Smith, whose only attendant was Miss Ethel Wyatt, sister of the groom, was attired in an afternoon gown of old rose crepe silk, with a hat of silver cloth and parasol feathers. Miss Wyatt wore yellow tulle, lace trimmed. The bride bouquet was a sheath of white roses, and Miss Wyatt carried an arm bouquet of white roses and lilies.

Supper for members of the family and other relatives followed the ceremony, at the home of the bride's parents, Mr. and Mrs. Alfred Benjamin Smith, No. 2824 Menlo avenue. On their return from a wedding trip Mr. and Mrs. Wyatt will occupy their home at No. 4812 Elmwood avenue.

Smith-Wyatt Wedding.
Announcement is made today of the wedding of Miss Helen Sonnemom and Alfred Recquarth, both of this city, which was solemnized at the residence of Mrs. Alice L. Thayer, No. 217 Bailey street, on the 18th inst.

Miss Myrtle Thayer was maid of honor and wore a white lingerie gown. The bride wore a white gown, and carried a shower of white peas. James O. Baxter served as best man, and Gladys Thayer assisted as flower girl. Rev. Mr. White read the service in the presence of a few friends and relatives.

Benefit Party.
Mrs. Walter W. Brown, No. 826 South Burlington avenue, will be hostess this evening at a benefit colonial dance and garden party, the proceeds to go to the St. Mathias organ fund.

Some of the guests to be worn by the guests were: Mrs. A. W. Brown, House during President Hayes's administration. The patronesses will be: Mrs. A. W. Brown, Mrs. A. Webb, Mrs. Walter Shaffer, Mrs. A. McArthur, Mrs. E. B. Crowder, Mrs. Alfred Morton Smith, Mrs. Wil-

Bride and Groom.
William P. Boland and Miss Mildred Marshall, who will be married this afternoon at the beautiful country home of the bride-elect's parents, Mr. and Mrs. F. W. Marshall of Ramona Park.

Home Wedding.
At the beautiful home of her parents, Mr. and Mrs. F. W. Marshall, of Ramona Park, Alhambra, Miss Mildred A. Marshall will be married today to William P. Boland, a well-known attorney of this city. The service will be read at 2 o'clock by Rev. F. J. Conaty.

The bride, who will be unattended, will wear a handsome gown of white satin, elaborately trimmed. Her bouquet will be of lilies of the valley. The groom will be escorted into a veritable flower garden with white roses and Shasta daisies.

Another Wedding.
Announcement is made today of the marriage last Saturday of Miss Namee O. Price, a popular teacher of the Girls' Collegiate School, and Rev. Walter A. Henricks, pastor of the First Presbyterian Church of Laramie, Wyo.

The ceremony was pronounced in the Hollywood Presbyterian Church at noon. Dr. Patterson officiating. The bride, who is the daughter of Rev. Lambert Price, pastor of South Second Methodist Episcopal Church, Brooklyn, N. Y., was given away by her uncle, E. F. Bogardus. The church was banked with Shasta daisies and ferns. Following the service, which was witnessed by relatives and a few friends only, the guests were taken to Mr. Bogardus's home, Sunset boulevard and Western avenue, where an elaborate wedding breakfast was served in the pergola. Harp music was enjoyed during the repast.

Men's Shower.
Miss Amy Greck was hostess at a linen shower given at her home in this city recently, complimentary to her sister, Miss Elsie, whose engagement to T. Walter Couser was made known several weeks ago. Red hearts and greenery decorated the rooms. The guests included: Misses P. Schultz, F. P. Miquel, C. Greck, W. E. Carey, P. Ridely, C. Dwight, J. Merrill, W. Campbell, A. Black, B. Campbell, T. Clauschild, N. Welford, Edward Greck, and the Misses of Hartman, N. Skinner, C. Behnke, N. Lainger, G. Kerr, E. Brown, A. Schantz, E. Hauser, C. Hauser, M. Miquel, F. Sullivan, P. Henry, M. Bartroch, E. Miller, A. Waldeck, M. Colby and M. Miller.

Santa Barbara News.
The combined women's clubs of Santa Barbara and vicinity last Saturday in reception to the New York and New Jersey delegates to the Federation. The delegates arrived by special train early Saturday morning, and after breakfast at the Poirer, the Santa Barbara Mission was visited, and the Woman's Clubhouse was open for their entertainment. There was a special concert in their honor at the Alameda, and the homes of local clubwomen were thrown open to the visitors. At 4:30 p.m., the special departed for San Francisco.

The Montecito social colony has been seriously depressed for a few days by the serious illness of Miss Nancy Park, daughter of Dr. and Mrs. C. C. Park, who was stricken with pneumonia shortly after her arrival from the East, where she has been attending school. Miss Park is one of the most popular members of the younger set.

The mess home of Capt. C. P. Low, retired, who was for many years engaged in the China trade with his brother, Abiel A. Low, father of both Low, educator and publicist, was the scene, Wednesday evening, of a delightful affair in honor of his niece, Miss Dorothea Low. A number of Santa Barbara young people were guests.

Miss Elsie Roeder, the little daughter of Mr. and Mrs. E. C. Roeder, celebrated her birthday yesterday, Wednesday, by giving a picnic to twenty of her young friends, at Oak Park.

Attractive Church Wedding.
One of the most attractive church weddings of June was that of Miss May Katherine Smith to Frank Edmund Martin, which was solemnized at St. Agnes' church, at 10 o'clock yesterday morning. The interior was decorated in palms, potted plants, asparagus plumosa, pink sweet peas, carnations and roses.

Miss Smith was accompanied by only one attendant, her sister, Miss Julia Smith, who wore a gown of pink charmeuse chiffon over pink satin. The bride wore a gown of white bridal satin, pointed fashion, with long train. The only ornament, a beautiful pearl brooch, was worn on the waist, which was ruffled with lace. A long white bridal veil was caught up with a spray of orange blossoms. The bride's bouquet was of lilies of the valley, while that of the attendant was of pink Cecil Brunner roses.

The bride was given away by her father, James Smith. The groom had as his best man Arthur Lamb. Rev. Joseph Martin, brother of the groom, came from St. Louis to perform the ceremony. Rev. Joseph Glass and Rev. Francis J. Conaty were present in the sanctuary. Miss Anne McDermost sang Gounod's "Ave Maria" as an offertory, and was accompanied by Miss Stanton on the violin. Miss Stanton also played the wedding marches and several other selections, with organ accompaniment. The ushers were Frank Yenal and Ernest Ganahl.

After the ceremony the bride's party was driven to the Smith residence, No. 119 Hiram boulevard, where the wedding breakfast was served. The house was decorated in pink flowers. In the afternoon, Mr. and Mrs. Martin left on a honeymoon trip which will include a visit to Lake Tahoe, Del Monte and several other places of interest in the North. Mrs. Martin was a protegee of the late Mrs. Modjeski.

YOUNG MEN'S OUTING.
Annual Christian Association excursion to Lake Tahoe next month. Sports, Camping and Entertainment. Members of the local Young Men's Christian Association will leave on their annual excursion to Lake Tahoe Monday, July 2, going by special train over the Southern Pacific. J. L. Graham, director of social work, already has more than 200 names on his list for the trip and it bids fair to be the most successful and pleasant summer excursion ever conducted by the association.

One day will be spent in San Francisco, with an opportunity to take a side trip to Mt. Tamalpais or across the bay. At the lake the party will camp at Al Tahoe, a pleasantly located and commodious camp at the southern end of the lake.

In camp the Y.M.C.A. Glee Club will give an entertainment around the camp fire every evening for a week. Dr. Lyman B. Sperry has also been secured for the trip.

JUDGMENT AFFIRMED.
The District Court yesterday affirmed the judgment of Superior Court Judge McCormick, in the case against John W. Watson, the money-lender, who was sentenced to two years in the penitentiary on the charge of embezzlement. The record on appeal was filed in the District Court, February 26, 1912, and twice the time was extended within which the defendant might file a brief in support of his appeal. No brief was filed, and the cause was ordered to be submitted.

FACTS, FEATURES AND FANCIES FOR WOMEN AND MEN

BY OLIVE GRAY

DAILY BEAUTY HINT: A lotion of rose feet will go quite as far toward the face as will any kind of complexion.

In the selection of a wedding gift there are several things to be considered. Appropriateness is of first importance, and by this I do not mean as to whether the article itself is appropriate to the recipient. For instance, one would not wish to present to a couple in lowly circumstances an article to be used only in an automobile, as such a gift would be out of keeping, and would also be useless. Of course, it may be the ultimate aim of the young couple to own a motor car, but before they reach the fulfillment of that aim the fashion in automobiles may have radically changed. One the other hand, it would be out of place to give to those in high positions articles which they would neither prize nor find a use for. These household utensils which would be acceptable gifts to a young couple going to home making on a small scale, could be far from appropriate for those who will have a mansion, or anything approximating a mansion. Personal gifts are quite in keeping from an intimate friend of the bride, but would be wholly out of place when sent by a mere acquaintance.

Articles of furniture come very well from members of the family or from close friends, but even so these should be appropriately selected. If the bride and groom are to live in a cozy bungalow, it would be out of place to present them with elaborate mahogany pieces, which would look ill at ease in the modest home, and would make the simpler furnishings seem meager. And so it is throughout the entire range of possible gifts. The appropriate is of first importance.

June Bridal.
The bride-to-be who has ambitions for French underwear and a pocket-book too light to compass this wish, may successfully substitute the new American-made garments, which are of the identical materials of the French articles. The American goods have embroidery which well stimulates the French, and the finish is excellent, so when all is said, there is only the name which is different, or at least the American is sufficiently excellent to warrant the attention of any self-respecting girl when making up a trousseau. One of the high-class Broadway houses has a full line of these.

A New Bra.
The buyer in one of the most progressive underwear departments showed me his latest triumph in the way of a bra. It is of butchery's form, in a strong and durable quality, such as is needed for this restraining garment, and the trimmings are of such as would adorn the best of corsetry. Even the least expensive of these needed garments—one so cheap that you wonder how it is done—is finished with a pretty lace edging, while the more expensive ones are trimmed with hand-made Irish and real cluny in appropriate designs and weights.

Summer Jacket.
Not a trip, but something quite as interesting in its way. This "junker" is for women who are a summer trip—but it comes done up in small packages, smaller than any railroad ticket, even to the nearest resort, and yet this summer jacket goes very far. To be plain, if your family is a short road to a warm weather, you will be interested in a pretty demonstration of such articles in one of the Broadway grocery houses. What first attracted my attention was a row of beautiful colored glass bottles, each which looked perfectly good. I picked one up and found it was a bottle of "Butter Milk." I was then told that it was a "miniature" of the real thing, and I learned, when I tasted which could be "made in a minute" of packed you may manufacture the exacting of "Butter Milk." It was then told that it was a "miniature" of the real thing, and I learned, when I tasted which could be "made in a minute" of packed you may manufacture the exacting of "Butter Milk." It was then told that it was a "miniature" of the real thing, and I learned, when I tasted which could be "made in a minute" of packed you may manufacture the exacting of "Butter Milk."

Which Reminds.
And that reminds me, I was informed a few days since that a lady had tried every kind of cure and still had been quite given up by physicians. Her trouble was, I believe, some chronic derangement of the stomach.

As Herbie Breakfast.
"What is the very latest trick in the kitchen?" asked Elizabeth, as I sat down. "The very latest trick," I replied, "is to get breakfast right in the table. You make your coffee on an electric percolator, toast your bread on an electric toaster, boil the eggs on an electric egg boiler, broil meat on an electric broiler. You need not do a thing else. It is the latest thing in the kitchen, and it is the most convenient of them all. You may accomplish a dozen triumphs of cooking at the table with this broiler. It is a most interesting article."

Produce for Cream.
Today they will show how to make cream in the kitchen, and how to make it in the house. It is a most interesting article, and it is the most convenient of them all. You may accomplish a dozen triumphs of cooking at the table with this broiler. It is a most interesting article."

Beit a "one-horse store"—or a many-horse store—as long as it's a horse delivery store it's extravagantly wasteful. The Ford equipped store multiplies its field of trade by four—divides its delivery costs by two—and adds a hundred per cent to its delivery efficiency.

Ford delivery cars cost but \$700 f.o.b. Detroit—complete with all equipment. In mechanical construction they are identical with all the seventy-five thousand new Fords we are making and selling this season—a proof of their unequalled worth. Get particulars—and booklet—from Ford Motor Company, Olive and 12th Sts., Los Angeles, or direct from Detroit factory.

THE Columbia Knight motor possesses every advantage of other types without their limitations. Its valves admit and expel full gas charges automatically and are not dependent on a separate driving system. It is this fact that enables the Knight motor to realize full efficiency and get increased power and greater flexibility, which in turn means longer life. Silence is an additional virtue.

The Columbia Knight design was personally approved by Charles Y. Knight before it was offered to the public.

VENICE TENNIS ON DECK TODAY.

Country Club's Annual Play Attracts Big Field.

Rising Stars Included in Entry List.

Three Days' Play; Finals Saturday Afternoon.

The ninth annual tennis tourney of the Venice Country Club is to open this morning on the club's courts at Venice at 9 o'clock and continue until Saturday night. The entry list includes a large number of well-known racketeers and many youngsters who are striving to break into the championship class. Marshall Ketchum, who is probably the best of the younger players in the South; Weller and Huntington of Occidental, are among the entrants. Hardiman, formerly of San Francisco, is to play in the men's singles.

The events of the tourney are the men's singles, men's doubles, mixed doubles, junior singles and men's consolation singles. Prizes will be awarded to the winners in the various divisions. In addition, there are championship cups in the men's singles and doubles.

TO DEFEND TROPHIES.
The single cup was won last year by John Holmes, who will defend it this year. In 1909 Tom Bundy won the trophy and in 1910 Melville Long of San Francisco was the winner. Holmes and Gerald Young are the holders of the doubles trophies and they will make an attempt to win another leg on them this year. In 1910 McLoughlin and Long won the cups. Today's programme follows:

TODAY'S PROGRAMME.

COAST PLAYERS STILL HAVE CLEAN SLATES.

[BY DIRECT WIRE TO THE TIMES.]

PITTSBURGH, June 26.—[Exclusive Dispatch.] The fourth day's play in the tennis championship tournament was by far the best of the week. Now that the contests are narrowing down to the best in each class, matches are becoming more keenly contested, and, with the clay courts in first-class condition, the play is all of championship caliber.

The men's singles competition has narrowed down to eight of the best men in the land—E. W. Williams, Perry Silver, G. M. Church, S. W. McElroy, E. H. Harris, G. P. Touchard, J. J. Armstrong and H. G. Rendall.

In the women's singles Miss May Sutton had an easy match with Mrs. G. F. Touchard, winning by scores of 6-1, 6-2. Miss Mary Browne of Los Angeles qualified for the fourth round yesterday and will play Miss Lois Moyes, the Canadian champion, tomorrow. Miss May Sutton will play Miss Dorothy Green, the Philadelphia girl, and it is likely that Miss Browne

and Miss Sutton will meet in the final.

In the mixed doubles Miss May Sutton paired off with F. H. Harris, the big Dartmouth College player, and they defeated Miss Guthrie and C. Garrison very easily, in the second round, by scores of 6-0, 6-0.

Miss Mary Browne, the other Los Angeles girl, was hooked up with the Pennsylvania champion, R. W. Williams, and they defeated Mrs. R. Williams and C. L. Childs, in the first round, by scores of 6-3, 6-2, and in the second round put down Mrs. Jacques and C. A. Garland, 6-0, 6-2.

Winifred Mace, the Los Angeles boy at Princeton, is out of the men's singles, but is paired off with the Canadian champion, Miss Lois Moyes, and they defeated Mrs. T. W. Wright and H. D. Longy in the second round of the mixed doubles.

Miss Browne said today that she would visit Newport before her return home, to witness the national championship tournament there, and Miss Sutton will play on the North-western Pacific Coast before her return home.

ATTELL-MURPHY FIGHT POSTPONED.

[A. P. NIGHT WIRE TO THE TIMES.] SAN FRANCISCO, June 26.—The Attell-Murphy fight, driven from Daly City by the Trustees, who objected to the aftermath of the previous bout between the fighters, will be staged in this city Saturday afternoon, August 2. After a two hours' squabble over the weight today, the fighters agreed to weigh in at 133 pounds at noon. Jack Welch will referee the bout.

Promoter James Coffroth has definitely abandoned plans for a fight July 4.

TWENTY ENTRIES FOR VISALIA AUTO RACES.

[Special Correspondence of The Times.] VISALIA, June 26.—Twenty entries are promised for the 100-mile road race which is to be the main event in the auto racing to be held in this city July 4, and for which a purse of \$500 added money has been hung up.

Among the entrants is the Hollick Brothers' Reo, which took first money in the 100-mile race for light cars recently held in Porterville; the Weather's boys Chalmers "48," which took first money in the heavy car race in the same meet; Erico's National heavy car, which was second in the Porterville races; Vic Tandy's two Cadillacs, which have been showing considerable class in recent meets, and Williams of Tulare, who is to enter a Reo "30" and a Buick "48."

Among the other out-of-town cars which will be in the races are three from Reedley, two from Coalinga, two from Lindsay and four from Fresno.

Auto men who have been over the course, which is laid out on the county roads, which lead to this city, and which includes a half-mile of city streets, say that speed of the machine will count for little compared with the nerve and skill of the drivers.

ANGELS BACK UP. HARKNESS IS TOO STRONG.

Locals Bother Him Only in Sixth Inning.

Check Losses Game on Scratch Hits in the Tenth.

Fans Shown Large Amount of Fine Fielding.

BY GREY OLIVER.

Portland, 4; Los Angeles, 2. Ten innings. Went up against Turkey Neck Harkness yesterday when he was good.

This is about as good an excuse as any. Always got to have some excuse when any team loses. No excuse needed however for the Beavers got their avata when such meant runs and Harkness was always a little bit too strong. Only time the locals could hurt him was in the sixth when they got a single, double, triple and a sacrifice off him and made their two runs. Before and after taking these, the Angels could have better employed their time in scaring the chickens out of the back yard garden for they could not do anything to Harkness out at the ball yard.

Check was no slouch himself in the pitching line for he did not go to the bad until the tenth inning and then they rapped him for three scratch hits that resulted in two runs. Either bunch could have won the game in any inning. In the tenth Check began to back up a little and pushed the whole shabang off the grade.

There was real ball playing in this game and the fans are beginning to see now why the Angels are so close to the top. The Beavers would have made a lot more runs but for Berger alone, but at that he did not have it on any of the other.

BERGER SHINES.
Berger was the big star in the selling line and his catch of Rapp's liner over short in the fifth was alone.

FORMER COASTERS DOING WELL IN VALLEY LEAGUE.

BY GREY OLIVER.

FORMER Coast League players are doing well up in the Valley League," said Pitcher Guber yesterday as he watched the Beavers trounce the Angels. The Valley League is up in the lower end of the San Joaquin Valley and includes the towns of Bakersfield, Visalia, Tulare, Porterville, Hanford and Lemoore.

Overall is pitching for the Visalia team and Price, formerly of Sacramento, is his catcher. Catcher Clark, former coach of the Occidental team, is managing the Porterville team and Martine is manager at Tulare. He plays the outfield and Jim Wiggs is one of his pitchers.

"Charley Miller, a Los Angeles boy, is pitching for Lemoore. Second baseman Ester and Shortstop Becker, both of Los Angeles, are with Porterville. These boys belong to Hap Hogan and are being tried out. I pitched for Porterville for a time but have been playing third base.

"That is a nice little league up there and the games at Bakersfield have frequently drawn 4000 persons."

"If the Los Angeles pitchers keep up their lick that team should win the pennant easily," remarked Catcher Gus Fisher of the Beavers yesterday. "The boys are playing fine ball now and should have no trouble in keeping near the top for the remainder of the season, if things go right for them. You've got to hand it to them for they are there with real baseball."

"If the Portland team had shown half the pepper against Vernon that it has against Los Angeles," said

Catcher Biles yesterday, "the Beavers would have won a lot more games from Hogan than they did." Which might or might not be true. Dope does not figure in ball games any more than it does in horse races.

Umpire George Wheeler, who is rozzooed frequently by the fans, probably does not care one-half as much as do these same fans about all results. It is rumored that he has a nice, big cherry orchard up in the hills near Riverside and if he has, at five cents per pound on the trees, he need not mind the slings and arrows or outrageous fortune.

Harry Suter is to join the Beavers when they reach Sacramento next week, the papers for the transfer of the pitcher from San Francisco to Portland having been filed up yesterday. Just what Suter can do for the Beavers is unknown, but it is not likely he will do much. He has not shown enough in the past year to justify the belief that he is all right again, but McCredie doubtless expects to be able to make something out of him. It is hoped that he can for Mac needs pitchers bad enough.

Hal Chase's wife, whom the first baseman is suing for divorce in New York, is asking for \$300 per month alimony. It strikes me that this is more than Jim Morley used to pay Mr. Chase for playing marvelous ball at first base for the old Los Angeles team. Things certainly have changed since the earthquake. Hal himself appears to be going back, for in his complaint he alleges that while he is getting \$3000 per year from the New York Americans, this sum may be cut to \$4500 next fall. This threat must mean that Hal is going back.

BIG CREWS ON EDGE FOR HUDSON REGATTA.

Cornell and Columbia Are Favorites, Stanford Not Being Conceded Much of a Chance on Account of Lack of Professional Coaching—Cardinal Men Are Most Powerful Entered in Race.

[BY A. P. NIGHT WIRE TO THE TIMES.]

POUGHKEEPSIE (N. Y.) June 26.—A memorable contest in American rowing annals is promised in the intercollegiate regatta to be held on the Hudson opposite this city Saturday afternoon, when eight-oared crews representing six colleges—Cornell, Columbia, Pennsylvania, Syracuse, Wisconsin and Leland Stanford University—will measure boat lengths with each other in the annual four-mile race for the varsity challenge cup, now held by Cornell.

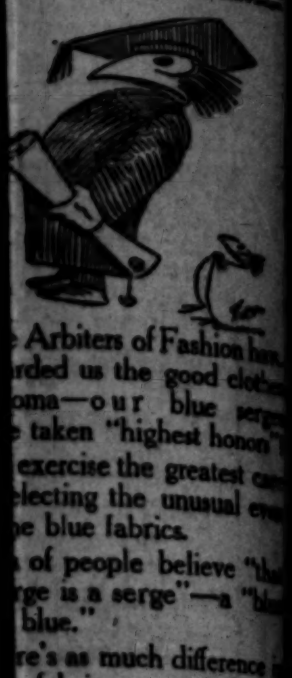

Preceding the big varsity race there will be the usual two-mile race between four-oared crews representing all but Stanford and Wisconsin, and the two-mile freshmen eight-oared

race, in which all but Stanford will be represented.

The prediction as to the memorable quality of the regatta is based on the observation of the veteran coaches in charge of the young oarsmen and others who have followed rowing for twenty years or more.

"Never have I seen six crews so good as the six university crews assembled here," said Charles E. Courtney, the coach of Cornell University. "The contest between Cornell and Columbia last year was truly a wonderful race, but I believe that all of this year's crews will be more closely bunched at the finish than they were in 1911. In my opinion, there will

Mr. Wad Started Out With the Sierra Club Last Night---But He's Back in Town!

RIVERS HAPPY AND EAGER; AD BAFFLING ENIGMA.

AD WOLGAST says that the big test is coming next Sunday afternoon at Jack Doyle's, when he will box twenty rounds with some of the fastest men that can be obtained in these parts. One of the big features of the Sunday card will be the ten rounds between the champion and Jimmy Clabby, one of the best lightweights of Australia, who is now on his way from Seattle to give the champion his real test.

Wolgast says that after seeing him in action on Sunday, if the box is not thick then with all the old-time goods, he will have no further use for public opinion.

The others who will mix in this grand melee are Pete McVey, Steve Dougherty and Battling Frankie Gage. Fight is going to be the event, and the only difference between this affair and the real thing is the lack of a prize. The prize is the weight of the gloves, eight-ounce mits being used instead of the regulation four-ounce maulers. The champion has thrown down the gauntlet to His Majesty the Public and what more can be asked.

THE CHAMPION AND WHERE HE WILL FIGHT.

BY DE WITT VAN COURT.

Joe Rivers put in his training time yesterday morning, pulley-weight work, wrestling and shadow boxing in the gymnasium. He cut out all other work. Joe has been boxing only once for the past week. He will commence Thursday and box every day until next Monday or Tuesday.

Joe says that Rivers's hands are in fine condition, but he did not care to take any more. Joe has been slugging his opponent pretty hard every other day for the past week. Joe says that he is not tired, but he is not sure if he is not tired.

Joe is certainly looking better than he ever did in his life. Yesterday he was feeling exceptionally good and worked so fast at his handball game that Charlie Dalton was all in. Joe says that he would not mind standing up and sleep all day. Joe says that he is not tired, but he is not sure if he is not tired.

WOULD BUY THE FIGHT GALLERY.

UNCLE TOM LOSES \$15,000 FOR SENTIMENT.

McCarey and Wolgast Agree to Hold the Price of the Gallery Seats Down to Three Dollars Instead of Five Out of Loyalty to the "Regulars" Who Have Stuck to Them.

Solomon, the dance hall magnate, offered to buy the entire gallery of 7500 seats in the Vernon pavilion. He agreed to pay Uncle Tom McCarey \$1500 in exchange of the price of the seats and further agreed not to charge the public more than \$4 a seat. The price now is \$2.

The offer was not only refused but Uncle announced that the most extraordinary precautions will be taken to prevent ticket scalping.

The entrances to the galleries will be through long chains. "Once started in, you will not be able to turn back to sell tickets or for any other purpose."

Both Ad Wolgast and Uncle Tom have agreed that the seats shall be opened at \$3, although it would have been just as easy to have charged \$5 for the gallery seats.

"These boys in the gallery have been boxing for me ever since I have been fighting," said Ad, "and I don't want to be a party to an attempt to freeze them out of the big fight."

Uncle Tom says the same thing. "I think too much of these boys in the gallery. Every time I go into a barber shop or stop on a street car one of the boys asks me anxiously if I am going to stick up the prices. We could just as easily have sold those seats for \$5 each as \$2; but I want the 'regulars' who have stuck by me so long to see the big fight."

This philanthropic resolution will cost the fight management just \$15,000. As there are 7500 gallery seats which could have been sold for \$2 more for each seat, the arithmetic seems to be easy.

After taking away the gallery seating capacity, there will be room for 1500 more fans in the higher priced seats, and giving these seats an average of \$10 a throw, as they are going to run from \$10 to \$15 and \$20, this gives a grand total of \$35,000 for the reserved seat section, which added to the \$22,500 for the gallery will make the total sum reach the vast proportions of \$57,500, and it looks as though all the seats would be sold long before the first preliminary starts. It is a safe bet that the clans will begin to gather at 7 in the morning at the general admission gates and the rest will come filtering in within the next few hours.

The type of the little fighters, the

BOY INJURED BY AVIATOR BROOKINS, SUES.

BY A. P. NIGHT WIRE TO THE TIMES.
FRESHFIELD, N. J., June 26.—The trial of a suit for \$15,000 damages, brought by Morris Gornuch, a new boy, for injuries received by being "run over" by an airplane, is under way here today.

The suit is brought against the Asbury Park Aero Club, Walter A. Brookins and the Wright brothers.

The accident occurred on the Asbury Park aviation ground in 1910. Gornuch was selling programmes when he was hit by an airplane driven by Brookins, who made an unexpected descent. The new boy suffered a fractured arm and other injuries.

Nothing has as yet been heard from the trans-Pacific racers, but news is likely to come any time after Friday.

FROM THE MASON TO THE MAJESTIC

By JULIAN JOHNSON.

Joe Galbraith sold one of his apartment-houses yesterday, and now that the wealth appetite is satiated, I think that art is calling him.

Joe doesn't have to work. But he loves the game, and that's why I am predicting that he will be jumping back into it before very long.

"But you can say one thing," said the former Belmont leading man, "no more stock for me. If I come back it will probably be to vaudeville."

"I haven't anything definitely in mind, but I might get a sketch and take a whirl at the old business once more."

"Incidentally," he continued, "nature was very unkind to me by giving me two inches too much in height. I never signed for leading business (ill) I came out here. I was always a comedian, and a comedian I should have stayed."

The only performance of "On the Quiet" that I recollect being given here was done at the Belasco with Mr. Galbraith in the leading role.

Actor and play scored a great success.

A very funny telegraphic correspondence has been going on between Edgar Selwyn and Oliver Morosco.

Selwyn has had the nerve to ask \$2500 for three weeks of "The Country Boy," which was originally produced at the Burbank, with Dick Bennett in the title role.

Telegram No. 1: "Will you give \$2500?" Selwyn.

Telegram No. 2: "Edgar, I love you, but nothing like that," Morosco.

Telegram No. 3: "I am curious to know just what value you put on your affection," Selwyn.

Telegram No. 4: "About \$2500," Morosco.

David M. Hartford has been absent from the Burbank stage, on full salary, sixteen continuous and consecutive weeks.

As stage director, Mr. Hartford was sent to New York City for a month. When he came back there was a run in progress, and he has been in retirement ever since.

Pool question: Wonder when Mr. Hartford will have his vacation?

"San Francisco has announced Hartford's name and Laurette Taylor for his co-stars."

McLOUGHLIN AND MEL LONG REACH FINALS.

[BY A. P. NIGHT WIRE TO THE TIMES.]

SANTA CRUZ, June 26.—Maurice S. McLoughlin, Pacific Coast champion, and Melville Long, former champion, battled their way through the final today in straight sets in the Coast championship tournament.

McLoughlin defeated Herbert Long 6-3, 6-4, but the battle was harder fought than the score indicated. Long battled desperately and effectively in each game, but after getting a deuce score nearly every time lost the deuce point.

Dawson, after playing one of the most brilliant games of the tournament yesterday, played uncertainly today, and Long won handily, 6-2, 6-2, 6-0.

Dr. Sumner Hardy and Nat Browne, playing together for the first time, furnished the day's sensational play by defeating the Long brothers, 4-4, 2-4, 6-2.

Miss Florence Sutton reached the ladies' single final by defeating Mrs. Nye and Miss Helen Parker. Results today:

Men's singles: Semi-final round—McLoughlin beat H. Long, 6-3, 6-0; M. Long defeated Ward Dawson, 6-2, 6-0.

Men's doubles: Preliminary round—Hardy and Browne defeated Curley and Code, 6-2, 6-1; Hunter and Han-

What does Mr. Mannors do? Does he come or traged?

Oliver Morosco has secured the rights to "The Brass Bowl," a very popular novel of a season or two ago, dramatized by Winchell Smith.

Melvin Bartlett sent a brick, wrapped in tissue paper, but a bomb from Jay Barnes fortunately fell on it before the two parcels were taken upstairs, and bomb and brick went to heaven together.

"Downstairs," a widely-read short story of last year, by Henry C. Rowland, has been secured by Morosco and Joseph Plunkett, joint owners of "The Money Moon," and will be dramatized by Walter Hackett, who made "The White Sister" into a play.

The regular season of traveling attractions at the Hamburger Majestic Theater will open August 18 with the all-star cast in a week of Gilbert & Sullivan revivals.

The original company of "Bought and Paid For" follows immediately.

And right after that "Baby Mine," with Marguerite Clark.

A. F. Frankenstein, the genial Orpheum maestro, had another of his famous small-hour musical parties at the Angelus last night.

It's quite possible that the Egan children may do an all-child matinee of "Peg o' My Heart" before the run of this place closes at the Burbank. This is after the New York fashion—where children's matinees of "All Star Jimmie Valentine," "Pomander Walk" and other current successes have been given—and would be very unique here.

Laurette Taylor would probably be the director.

NAVY INVOLVED.

For this great regatta 120 college rowing men have trained. They are divided into the fifteen crews representing the colleges named. To see these men in the pink of physical fitness after months of training, is to realize the highest possible attainment in the development of young men for athletic competition.

The hour set for the big race—4:15—is fifteen minutes after the ebb tide reaches its maximum. The Poughkeepsie course is a straight deep stretch of water beginning three miles north of the Poughkeepsie bridge, and finishing one mile south of that structure.

The West Shore Railroad will run the usual observation train alongside of the race. No vessels will be allowed to follow the oarsmen, and this rule will be enforced by revenue cutters, which will also make it their business to see that yachts and small boats do not crowd into the course from the three-mile mark down to the finish line.

Cornell and Columbia are the favorites, the former having slightly the preference of the race of performance. In twenty-one races in which they have competed during the last three years, the Ithacans have won twelve, but Cornell has won the freshmen race of last year, which was won by Columbia.

The splendid fight which the New York crew made against Cornell last year has made it the favorite of many this year, because the Columbians are confident that their crew is faster, stronger and better trained than their eight of 1911.

Cornell, on the other hand, has seven of last year's veterans in the boat, but Coach Courtney says that the crew is no better than it was a year ago. "We will have a fine crew," said Mr. Courtney, "and whether we win or lose, they will be a credit to the college and the coach."

SYRACUSE STRONG.

Syracuse, which made such a poor showing in 1911, has developed the best crew it has had in several years, and the coaches of the other colleges agree that Ten Eyck's men will have to be reckoned with. Pennsylvania and Wisconsin are not regarded as so formidable.

The Leland Stanford crew have added greatly to the interest of the regatta by coming 3000 miles without coach or boat to meet the eastern colleges. Physically, they are the equal of any other men on the river, but they probably have not had the training to make them dangerous competitors of these other colleges, who have had for years the services of professional coaches. Before leaving California, the Stanford crew defeated the University of California, and the University of Washington in a triangular race.

They have come here under greater disadvantages than any of the others. They expected to find in New York a new Sims shell, which they ordered from England, but the English stricken had delayed shipment of their boat. Columbia, however, gave them the use of the Sims shell in which their varsity rowed last year, and the Californians say that this boat fits them better than any they have ever used at home.

The following are the statistics of the eight-oared crews entered for Saturday's race:

San Bernardino.

THIRD WRECK FATAL TO TWO.

Santa Fe Engine Explodes; Freight Cars Burn.

Prospector Insane Because Days Without Water.

Family Quarrels Over Home Claimed by Two.

(BY DIRECT WIRE TO THE TIMES.)

(SAN BERNARDINO, June 26.—(San Bernardino Dispatch.) H. A. Clausen, 32, and E. P. White, engineer and mechanic, respectively, of Santa Fe engine No. 133, were instantly killed at a mile this side of Barstow this afternoon when the engine blew up.

The explosion completely wrecked the engine and freight cars filled with merchandise were set afire. These were saved with difficulty.

At the time of the explosion the heavy train was moving slowly toward Victorville, headed for Los Angeles and Los Angeles. The force of the explosion completely wrecked the engine and freight cars filled with merchandise were set afire. These were saved with difficulty.

Conductor D. L. Gilmore ran a half-mile to Barstow to get help. A switch engine was rushed back to the scene of the wreck, where only the engine and freight cars remained.

By heroic efforts the balance of the train was saved from the flames. In the explosion, both engineer and fireman were instantly killed, their bodies being badly mangled. The remains were removed here tonight. Both men were with their families.

The explosion came as the fatal accident looked for in railroads when one wreck occurs.

At midnight last night a Santa Fe engine and freight cars, headed for Los Angeles, were en route when the fatal accident occurred.

INSANE FROM THIRST.

Joseph Edgar was committed to the asylum at Patton, today, insane from the effects of long wandering without water on the desert.
